

Forestry Contest Deadline Aug. 1st

Jackson, Miss.—The Mississippi Forestry Association today reminded contestants in the Sears-Roebuck Foundation Forestry Contest that August 1 is the deadline for turning in their contest records.

Contestants from Hancock County must turn their contest records in to Marion Parker, Area Forester Bay St. Louis, Miss., who is county contest chairman.

The Forestry Association headquarters pointed out that a form entitled "Record of Work Done On Your Contest Plot" is provided in the contest folder which contestants received upon entering the contest. By filling in the blanks on the form, the contestant has a complete record of his work ready to turn in to his county chairman.

Since last September, contestants from throughout Mississippi have been busy working on their tree contest plots. Points are given for each forest practice carried out to increase timber production and quality of trees on the plot.

For those of us at home just think of the fun of a full thirty minutes viewing friends, neighbors and relations as they sing, dance and display hidden talents for the entertainment of the nation.

We know a lot about this deal

partner . . . but we ain't about a telling . . . you just gotta tune in and see for yourself . . . we do

say there'll be the naughty can

dances of the gay nineties . . .

the rollicksome Charleston of the roaring twenties . . . narrating and interrogating of the Bay St.

Louis story . . . the ever popular

barber shop quartette . . . and

other features which go into making a real television show . . .

The caravan will leave Bay St.

Louis at 12:30 p. m. Tuesday, July 29, plans to arrive in Mobile at 3:00 p. m.

Headed by Mayor John Scafide

and Centennial Vice-Chairman

Henry Ocoinchak formation will

take place at the Beach and High-

way 80. So if you have costume

and want to join the merry min-

strels all you have to do is be on

time . . .

HOLLEMAN CITES NEED FOR LEADERS

Hancock Miss.—District Attorney Boyce Holloman, campaigning for Congress, said here Saturday that the nation needs "New vigorous leadership" in Congress. Holloman, seeking the Sixth Congressional District seat held by Congressman William M. Colmer, spoke here Saturday afternoon after earlier speeches at Clara in Wayne County and Carson in Jefferson Davis County.

"We have spent almost \$70 billion in foreign aid to the lands around the World," the Wiggins attorney declared. "We were told to send our dollars to keep from sending our boys. Today our boys are there again."

Holloman said that the "tragedy of the Middle East is that our enemies are using military equipment furnished by Christian America to

kill our friends."

The 43-year-old Gulf Coast Dis-

trict Attorney was slated to close

his Saturday campaigning with a

rally Saturday night at Biloxi.

He spoke Friday night at Van

Cleve in Jackson County.

MARY HENDERSON PLACES SECOND IN STATE FOODS JUDGING CONTEST

Mary Henderson placed second in the State in Foods Judging at the Mississippi State 4-H Club Congress at Mississippi State University July 14 to 17. Over 1200 4-H'ers attended. The theme of the meeting was "Improving Family and Community Living."

Representing Hancock County in the State contests were Mary Henderson, Audrey Floore, Wanda Lee, Jacqueline Koenn, Joe Harrel, Charlie Smith, Lamar Nease, George Hinton and Carl Moran. They were accompanied by Miss Gloria Clay, Home Demonstration Agent and John W. Smith, Assistant County Agent.

SOUVENIR CENTENNIAL EDITION TO BE ISSUED NEXT WEEK

In conjunction with our next issue of the Hancock County Eagle, July 31, we will issue our Centennial Souvenir Edition. It will be printed in tabloid form and bound into a cover so that it may be kept for future reference.

Each regular subscriber of the Hancock County Eagle will receive a copy with his or her regular paper, at no extra charge.

Besides that they will be on sale at newsstands and at the Eagle office for FIFTY CENTS per copy.

This issue will contain stories and pictures of the past, present and future prospects for the City of Bay St. Louis and Hancock County and will be worth keeping.

Wool Growers To Receive \$15.50 For \$100.00 Sale

Wool growers will receive shorn incentive payments of \$15.50 every hundred dollars they receive from the sale of shorn wool during the 1957 marketing year. F. Lee, Chairman of the Hancock County Agricultural Stabilization and Conservation County Committee, has announced. This 15 percent rate of payment represents the difference between the national average price wool growers got for their wool during the year ended March 1, 1958, and the incentive level of 62 cents per pound.

The payment rate on sales of unshorn lambs to compromise for the wool on them will be 33 cents per hundredweight of live animals sold. This payment is designed to discourage unusual shearing of lambs before marketing.

According to the chairman the Hancock County ASC County Office will begin payments soon after July 1. Applications for these payments had to be filed with the county office by April 30th, 1958. The payments apply only to shorn wool and lambs marketed between April 1, 1957, and March 31, 1958. To be eligible for payments, the lambs must never have been shorn.

Because wool growers received higher prices for the sale of their wool during the past season, the wool incentive rate required to bring the average price up to the current incentive level is only 15.5 percent. Although the rate is lower under programs for the past two years, the method of calculating the rate is the same. In 1955, the first year of the program, the shorn wool incentive payment rate was 19 percent; the second year of the program, 1956, the wool payment was 40 percent.

The wool incentive program is authorized under the National Wool Act to run through 1958, ending March 31, 1959. The 1958 program will be substantially the same as for 1957.

Gaston Is Elected To Board of Directors Of Mississippi Power Co.

R. C. Gaston has been elected to the Board of Directors of Mississippi Power Company according to an announcement by the company. Mr. Gaston is president of Southern Services, Inc., the service company owned by Mississippi Power Company, Alabama Power Company, Georgia Power Company, and Gulf Power Company, operating companies of The Southern Company.

Dr. Shipp Expresses Appreciation For Testimonial Dinner

The splendid things that man collects along life's pathway are not counted in material gain. He may be as rich as Croesus but die shriveled in poverty and hungry for things that satisfy the heart and mind. Material wealth often wraps the human soul, while friendships enrich both mind and body.

Like the rich man who went to the priest one day and asked, "Father, why do people hate and shun me?" Why do little children run away and refuse my company?" The wise father said, "Look out that window at the little children playing in the street. See how happy and content they seem. Now take a look in that mirror and tell me what you see." "I see myself," the man said. "This is the way you have gone through life. You have seen only yourself and now you will die with the discontent you yourself have created," said the priest.

Through life the richest blessings are not counted in material possessions; it is the friendship, love and respect that comes to any man who walks humbly and is kind to everyone regardless of station in life.

I want to express my deep appreciation to my many friends who honored me by their presence at the dinner Monday night. I shall long remember this happy occasion.

steam power plant design. Mr. Gaston has written numerous magazine articles and technical papers in this field. He is a member of American Society of Mechanical Engineers; the Engineers Club of Birmingham; and the Technical Committee of Atomic Power Development Associates. Mr. Gaston is also a trustee and director of Power Reactor Development Corporation of which Mississippi Power Company is a member. This group is presently constructing an atomic power plant in Michigan.

Mr. and Mrs. Gaston live in Birmingham.

A. J. Watson, Jr., in announcing the election of Mr. Gaston said, "We are very fortunate in having Mr. Gaston on our board of directors. His experience and background will be very helpful to us. He has been in charge of the design of all of our generating plants and is thoroughly familiar with our system and the operation of our Company."
